A'Star Jewellery aligns its new collection "Intricate Charm" to Forevermark's Garden of Wonders concept which celebrates the miracles of nature, both flora and diamonds. The rare Forevermark solitaire, elegantly elevated at the center of the design, is adorned with brilliant diamonds and delicate leaf motif to portray an enchanting yet classy silhouette.

The assortment of rings, earrings and pendants in 18kt pink gold reflects the wearer's individuality and draws a perfect parallel with her personality - charming, resilient and filled with energy.
