This winter, capture the delicate beauty and purity of snowflakes with A'Star Jewellery's "Winter Magic" ring collection.

Just as no two snowflakes are alike, these rings too depict versatility and are uniquely faceted and textured using brilliant round, pear, marquise and princess cut diamonds, making them distinct from one another. The juxtaposing of delicate styling with bold diamonds offers an insightful depiction of a woman who is fragile and yet able to withstand so much.

Crafted in 18 kt pink gold, these icy beauties will add a warm glow to your day and attire.
