## Rendezvous Luxe by Asian Star @ Trident, Nariman Point

Rendezvous Luxe, hosted by Asian Star, is back with yet another collection of finely handcrafted masterpieces that will recreate the glamour and splendour of bygone eras! This year's eclectic collection of bespoke diamond jewellery celebrates the myriad transitions in jewellery styling, from the renaissance period right through to modern-day.

From animal-inspired motifs popular in Art Nouveau jewellery to styles that focused on natural forms and feminist imagery during the Edwardian period to the vibrant colours and geometrical shapes of Art Deco jewellery, the dramatic and awe-inspiring jewellery styling down the years can be experienced through its modern interpretations on display.

Inviting all aficionados of jewellery! Block your dates this weekend and head to Hotel Trident to become a part of this shimmering journey.
