Every woman is beautiful and special in her own way and as a tribute to all the remarkable women, this IJS, A\*Star Jewellery celebrates her persona with special collections, showcasing an assortment of styles to match her individuality.

Be bold and expressive with the 'Charismatic' collection that offers a range of stunning cocktail rings and cuff bracelets adorned with spectacular gemstones. For the quirky and free-spirited personality, the 'Bohemian' collection explores the fascinating world of papillon in three-tone gold. The endearing floral style of the 'Romantic' collection depicts love and appeals to the feminine nature, while the 'Traditionalist' collection articulates grandeur and timeless beauty with its exquisitely designed chand baalis. The elegant earrings and necklaces from the Sophisticate will complement her style and poise.

The splendid lines are crafted in 18-karat yellow, white and pink gold, and the diamond-and gem-studded collection offers a wide choice of styles, categories and price points to suit every need. ■
