

Shree Mahavir Health & Medical Relief Society has initiated its fight against cancer by building a centre that will facilitate advanced cancer treatment for patients in South Gujarat. Spread across 4,900 sq. Yards, the cancer hospital encompasses two buildings and 100 beds, and will be developed on the Trust's non – agricultural land. Asian Star extended its hands towards the Trust and made an exceptional contribution to this noble cause with a belief that the initiative would improve the lives and the livelihood of cancer patients in the future.

The proposed centre shall be equipped with the latest technology for accurate diagnosis and treatment. It will also have a sanatorium for recuperation of patients.
